Dear Doctor:

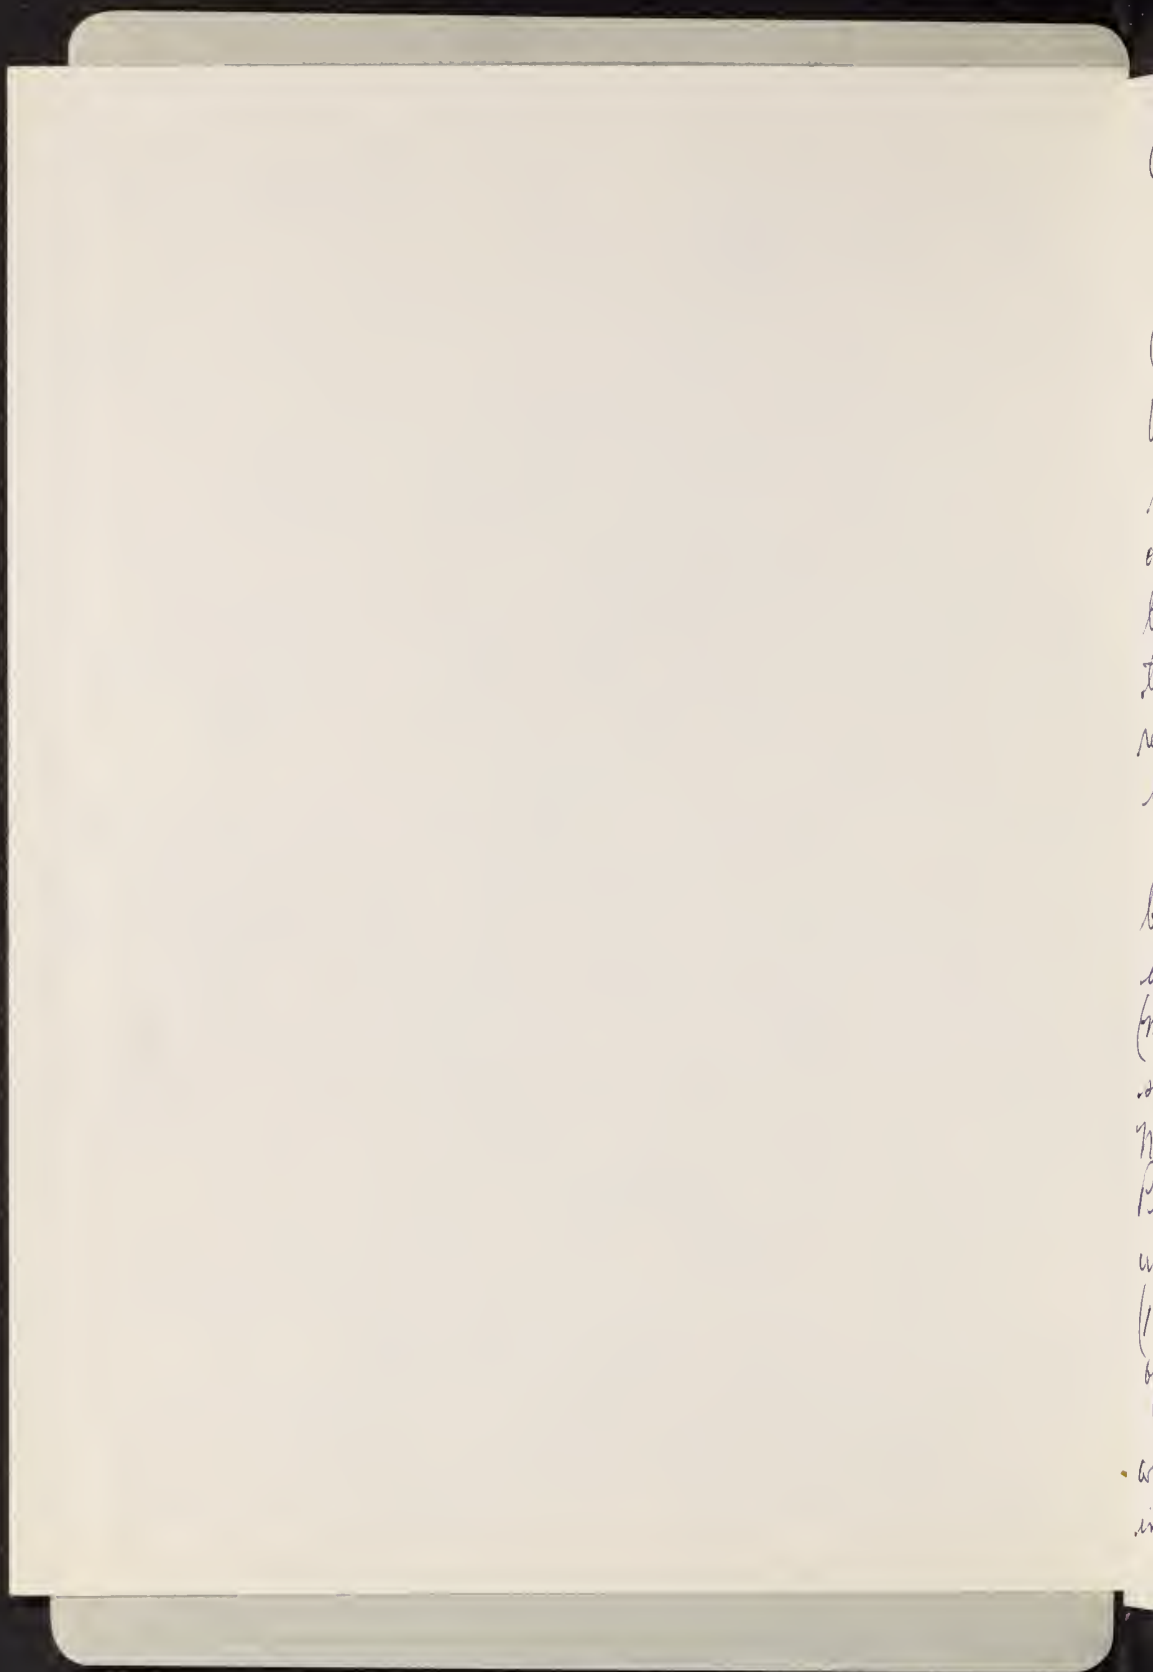

Thank you for your letter of the
12th. This information is very interesting.

The three names under Males under 16
John Vanast, Nathan Vanast and John
Blake are (1) my Grandfather (2) Nathaniel
his brother and my Great Uncle (3) likely
the son of John Blake who married
Michael Vanast's widow.

I am not certain who Peter Vanast under
Males 60 to 16 was but Peter is a very frequently
used first name in our family. Michael of
course is my Great Grandfather. If I have
death certificates for three of his children -
John, Nathaniel (Nathan) who died at Oak, Mich.
in 1906 and Barney also in Michigan 1906. Sally,
Hanna and Peggy ^{Vanast} are new names to me.

I presume "A Return of the inhabitants
of the Township of Loughborough and Portland
1819" is a pamphlet or book.

I have two questions - (1) Where were
the inhabitants returning from?

2.

(1) Is this pamphlet or book available for perusing?

I am fairly well informed on Thos. Comer ~~who~~ was almost certainly Michael Van Nest's wife's father. Her name was Sarah. She was from Ernestown. The only reason I say almost certainly is that U.E.R. Book mentions Sarah as the daughter of Paul Comer. However my records from Ottawa say Thomas was her father.

I am still searching for Michael's birthplace and his father's name. These death certificates confuse things. John's (my Grandfather) states Burlington N.H. should be N.S. I think as Michael's birthplace Nathaniel's states New York and Barney's Pennsylvania. Their lack of facts is understandable because Michael died (1823 circa) when they were 9, 6 and 1 years of age respectively.

I am still looking for a relationship with Varnandus ^{N.S.} who was in Loughborough in 1810.

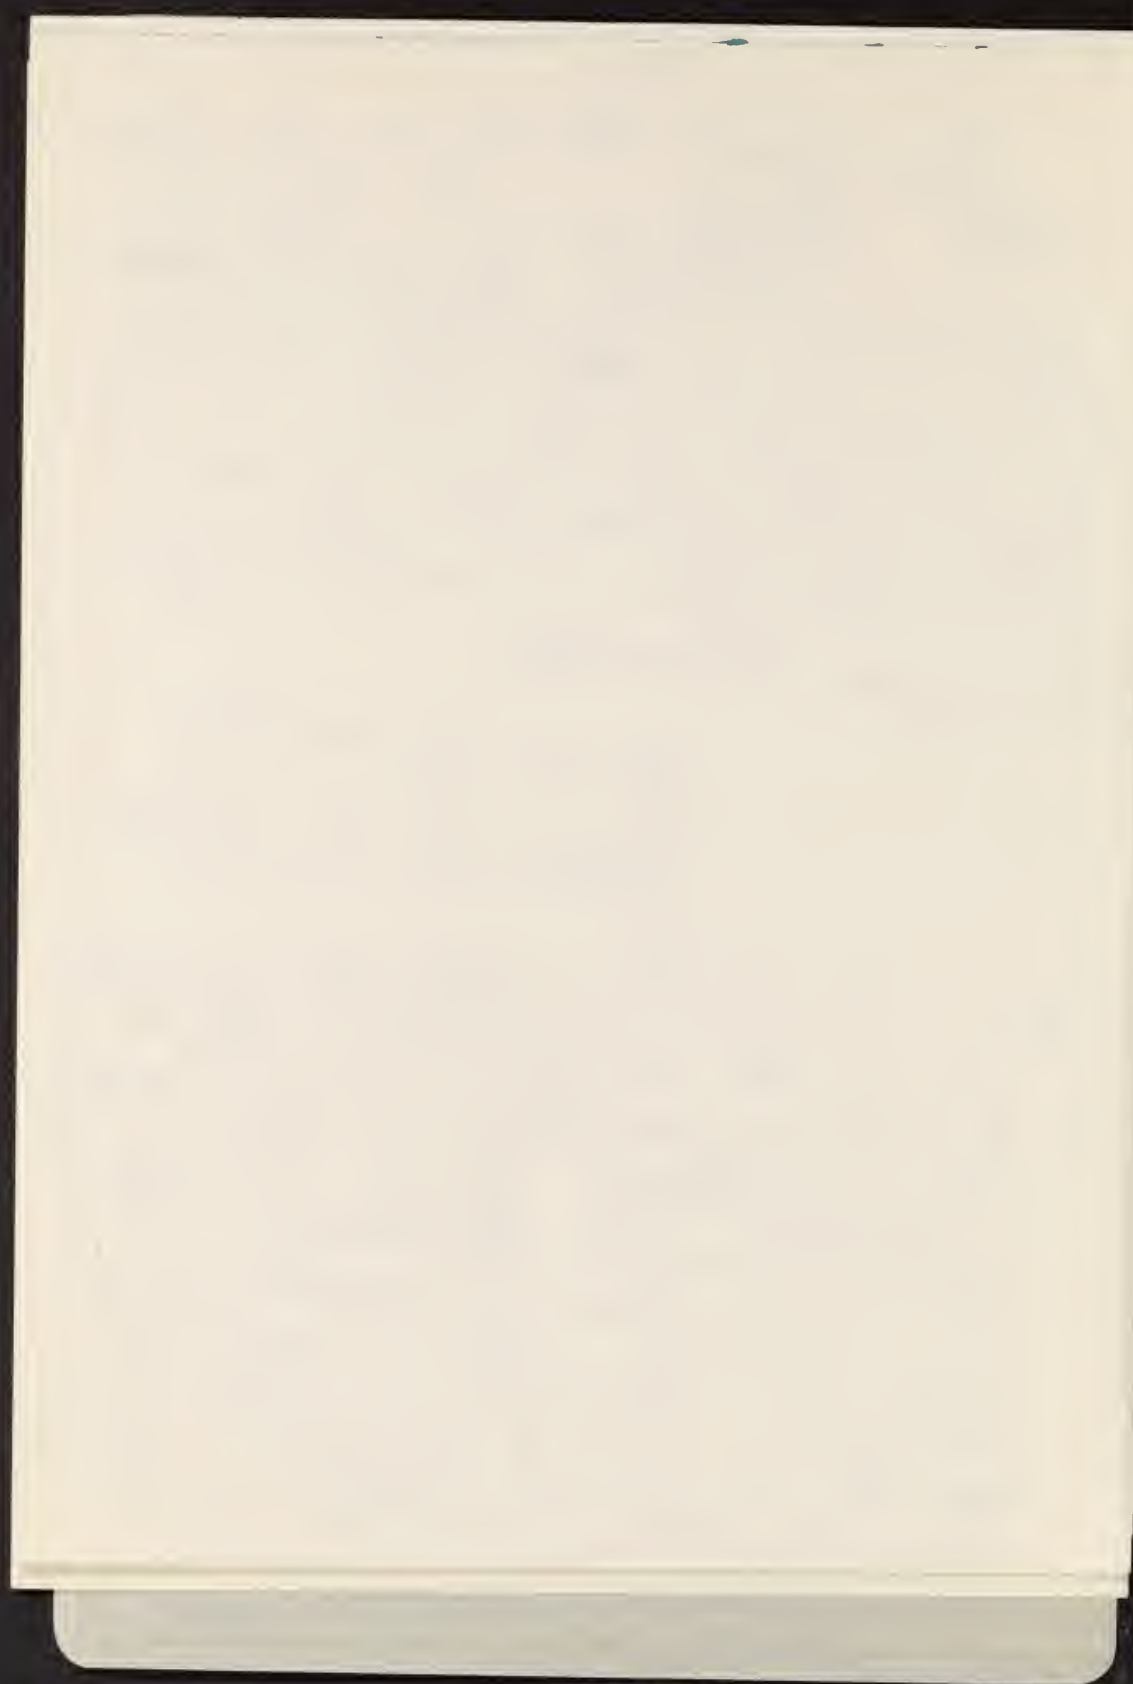

3.

Once again thank you for your letter. I hope you are keeping hale and hearty. My journey's this summer didn't permit me to call on you or to secure some of that very excellent corn product that comes from Tennessee, if I remember correctly.

Yours sincerely,
John A. Van Nest.

P.S. The Archives of Canada finally found the missing documents concerning Michael and Sarah V.N. They were lost for 2 years. I received photostats about 3 months ago. They were informative and confirmed some of my surmises. However they did not state who Michael's father was or where in U.S. he came from. I still have some leads to work on.

Dear Dr. Burleigh:

You will doubtless recall that one of these family tree bugs called on you on Sat. ~~Mar.~~ Mar. 25 and asked about Van Nests and Comars in Ernestown (M. E. L. people).

I am enclosing a copy of a family tree of Van Nests (Vannest Van Gress). It begins with Vananders V. N. Our problem is to try to find if Michael V. N. (my great grandfather - see copy of Memorandum from Public Archives 12: (c) (d)) is related to Vananders. Until we do there is the possibility that we are not related to the Vannests shown on the tree. They settled within 15 miles of each other, so likely they were related.

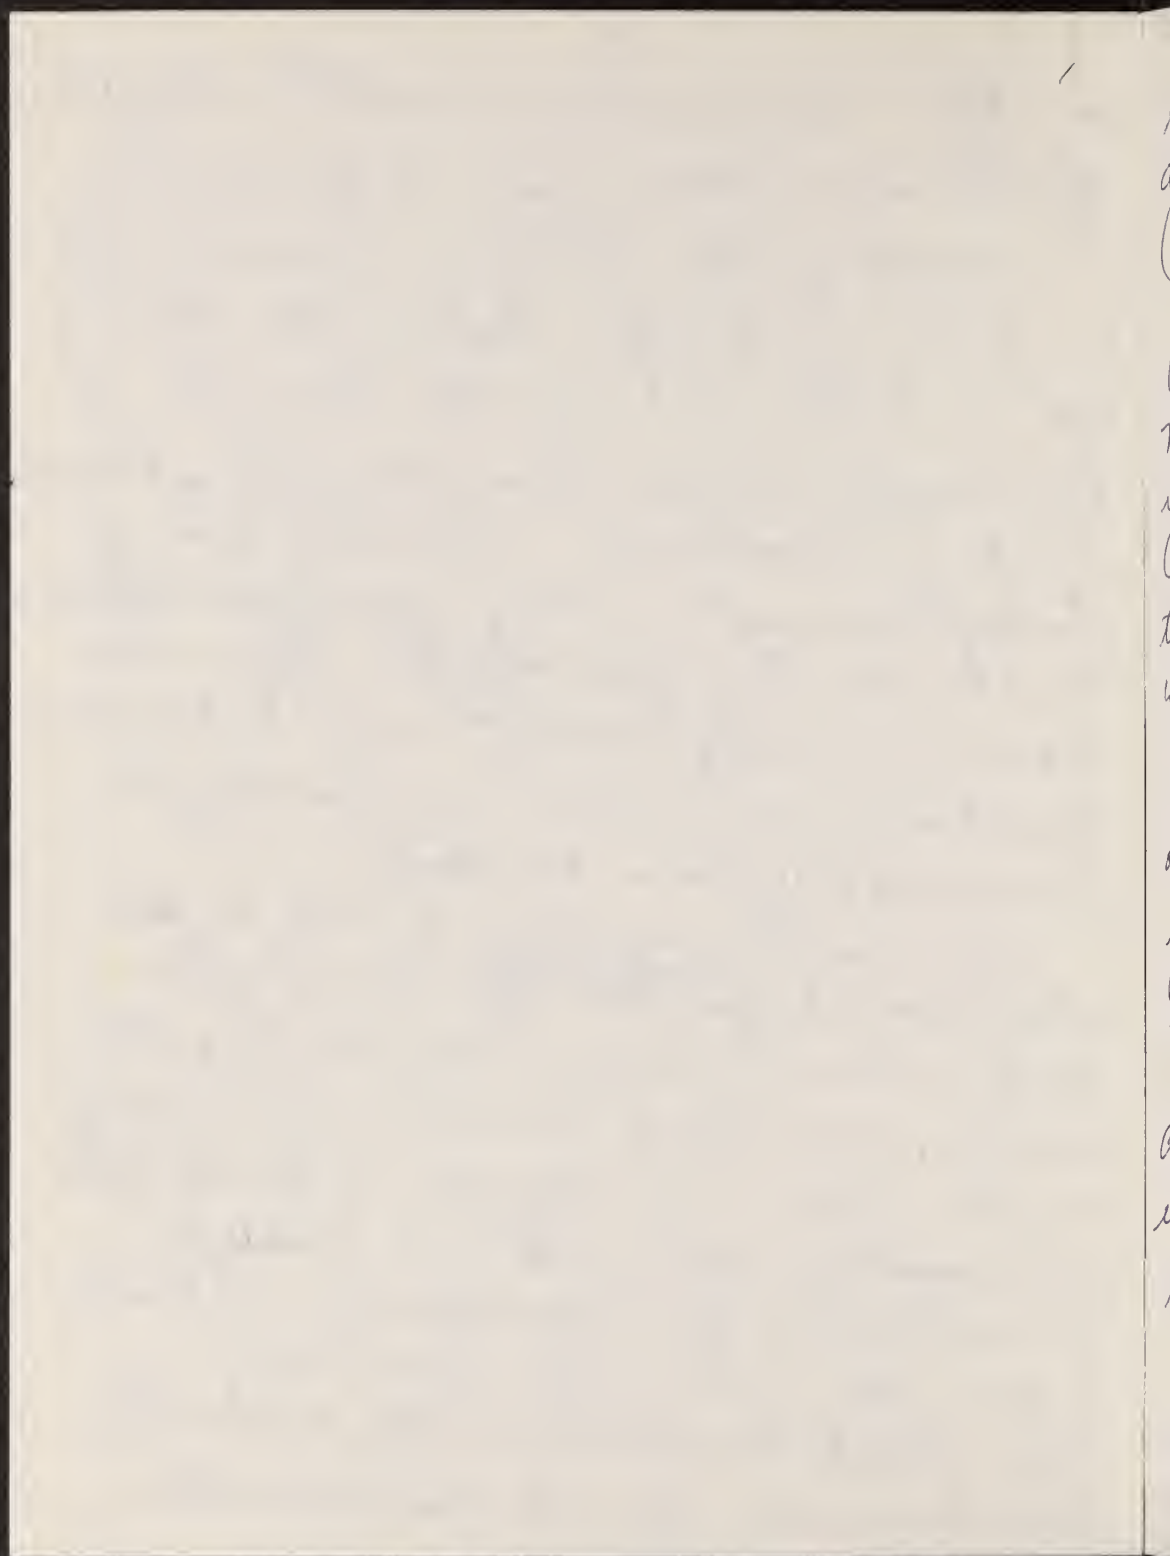

Sarah (Michael's wife and my great grandmother) is reported

2.

on the Memorandum as the daughter of Thomas Corner (see 2(c)) but in a record at the Ontario Archives from a U. E. L. Book - Ont. Hist. Society Vol 6 it shows her as the daughter of Paul and wife of Van Ness of Loughborough Twp. in Frontenac. This Van Ness of Loughborough is my great grandfather Michael. My grandfather John was born in Loughborough in 1812 or 1813. Michael was born in Burlington, Vermont. We have no date.

We are trying to find out under what conditions ^{Michael} ~~he~~ left Burlington and when he came to the Kingston area. We think he died rather young maybe 1821-25. We don't know for sure, ~~and~~ nor where ^{he} ~~is~~ was buried. His widow (we think) married a Blake but we don't know his first name. This Blake must have died shortly too because great grandmother

3.

Sarah is believed to have arrived in Durham County (Newcastle District) about 1826. You might watch for Labarre' or Laboree. She married a man by this name either down in Kingston area or in Durham County. I have heard stories about this man and my grandfather. He was a pretty hard stepfather I guess.

I am enclosing \$5⁰⁰ as a token of my appreciation for anything that you might dig up in your records.

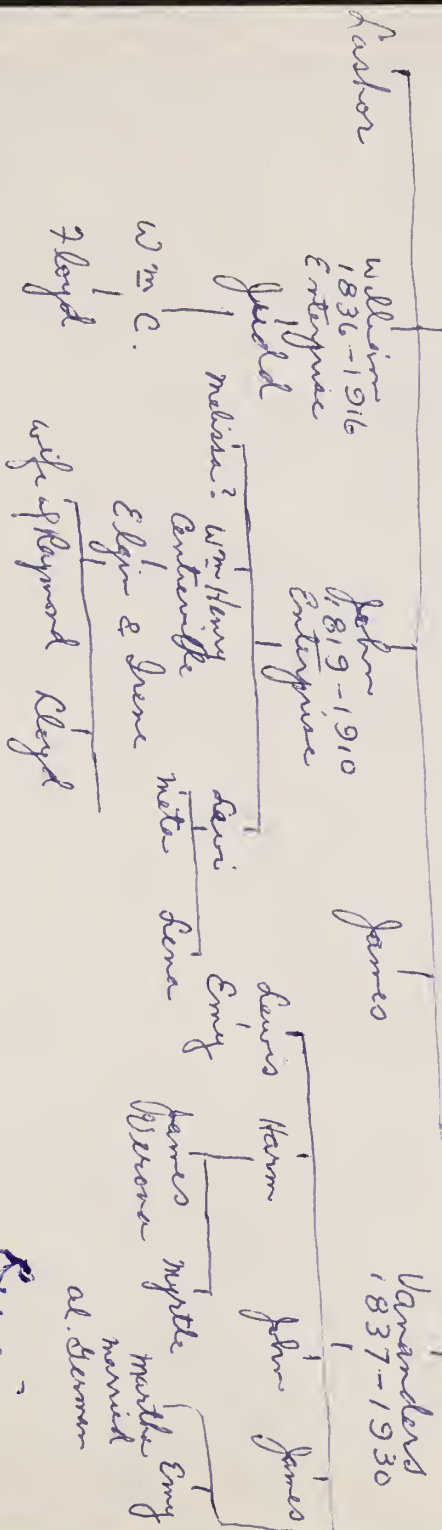

It was very interesting to meet you and learn of your very energetic efforts to record a portion of our history which has been sadly neglected.

Yours truly,
John A. Van Nest.

Mr. L. Vannest, Moscow Honored By Friends On 90th Birthday

1948

Moscow, Nov. 27. — A highly successful birthday party was held at the magnificent farm home of Mr. and Mrs. Stanley Switzer, Moscow, Ontario, on Friday, November 19th, in honor of Mr. Levi Vannest, who, on that date, celebrated his 90th birthday.

The heavy and cold rain did not dampen the ardor of Mr. Vannest's numerous friends, many of whom came from Kingston, Napanee, Picton, and Enterprise.

Mrs. Stanley Switzer, eldest daughter of the honored host, Mr. Vannest, received, and welcomed the guests, and escorted them to the spacious drawing room, which was beautifully decorated for the occasion, and where each, in turn, extended warm congratulations to Mr. Vannest, who expressed his pleasure in meeting so many of his old-time friends again.

The first item on the program was the serving of a sumptuous buffet luncheon. Mrs. Black, of Kingston, and Mrs. Bell, of Enterprise, poured tea. Mrs. Osborne Orr, of Kingston; Mrs. Vannest, of Enterprise, and Mrs. Eldon Orr, of Kingston, served tables.

At an opportune time Mr. Harold Bell called the gathering to order, and requested Mr. Vannest to take the seat at his right, and, in a few well chosen remarks, said: "It is a very great privilege and pleasure to be present on this occasion, and to join with the neighbors, friends and relatives in extending to Mr. Levi Vannest warmest felicitations, and congratulations, on this, his 90th birthday." Mr. Bell asked Mr. Frank Hawley to present Mr. Vannest with a beautiful upholstered chair, a token of the high esteem in which the honored host was held.

Mr. Vannest, who enjoys remarkable health notwithstanding his years, arose in his place, and, in vigorous fashion, expressed his delight in meeting so many of his friends, and thanked them for the beautiful chair which would always be a reminder of the honor which had come to him this day.

Mr. Vannest was born on his father's farm at Enterprise, Ontario, and has been, until his retirement a few years ago, one of the County's successful farmers.

Mr. Hiram Vannest, of Verona, is a cousin of Mr. Levi Vannest, and only three years his junior, and en-

joys good health. He and Mrs. Vannest were both present at the celebration.

PERSONALS

Mr. and Mrs. Edgar Drew, Mrs. Morley Ellerbeck, James Evans, and Allen Lampkin have returned from Toronto, where they attended the Royal Winter Fair.

Ruth Rescorla, student at Queen's University, Kingston, spent the week end at the home of her father, Bruce Rescorla.

Mrs. T. C. Armstrong has returned from Kingston General Hospital, where she underwent an operation. Mrs. Wilfred Potter, of Belleville, is spending a few days with her sister, Mrs. Armstrong.

Miss Mary Walsh passed peacefully away on Saturday, November 27th, at the home of her niece, Mrs. James Evans. Miss Walsh, who was in her 87th year, had resided with her niece for several years, and for the last two years had been confined to her bed through illness and had been tenderly cared for by Mrs. Evans and family.

The Y. P. U. of Newburgh was entertained at Moscow on Friday evening by Moscow Y. P. U.

Mrs. Everett Evans was hostess to the Moscow United Church W. M. S. on Friday evening.

Mr. and Mrs. W. K. Huffman were recent guests of Mr. and Mrs. Wesley Young, Sillsville.

motion carried.

A further motion, by Reeve Babcock and Dep-Reeve Webster, was presented and carried and was to the effect that the County representatives on the Lennox and Addington Old Age Pensions and Mothers' Allowances Board for the year 1949, be Warden Fred Jackson and Miss Lillith Gandier, and that the County Clerk be appointed secretary of the Joint Board.

CAMDEN REEVE PROTESTS

A matter brought up the day previous, when it was stated by Reeve Purcell that the Town of Napanee does not contribute to the maintenance of the prisoners at the County Gaol, led Dep-Reeve Webster to state that the Town of Napanee has never been approached by the County in this matter—to pay anything for the prisoners. Dep-Reeve Delbert Sexsmith, in a report, stated that during the year just ended, there have been a total of 186 prisoners in the gaol, 82 from town (which were a number of repeaters) and 104 from the County and other districts.

BY-LAWS PASSED

A by-law to appoint Edgar Salisbury, of Camden East, as a trustee to the Board of the enlarged High School District, was given its three readings and passed.

A by-law to provide for the purchase of land for reforestation purposes was given its three readings, and passed. The property entered in the

cost of County inmates at the gaol crest for the year 1948 and we recommend that the 1949 County Finance Committee provide for payment of any increase in this regard in 1949 estimates after the City furnishes the Council with a statement of the per diem cost in 1948 and that Clerk of Kingston be advised accordingly.

2. We recommend that the communication from the St. John Ambulance appeal requesting a grant, be considered by the 1949 Finance Committee, at the January session.

3. We recommend a grant of \$50 to the Flinton Memorial Library to assist in the new building.

4. We have considered a communication from the Inspector of Legal Offices re the bonding of Gaol officials and recommend that S. W. Gilbert, gaoler, and F. W. Bush, chief turnkey, be bonded for \$500 each and that the Clerk arrange for this to be done.

5. We have considered a communication from the Inspector Legal Offices respecting a cost of living bonus of \$15 per month for County Employees and recommend that this bonus be paid to the following officials, as from January 1st, 1949: W. W. Exley, County Treasurer; S. W. Gilbert, Gaoler, F. W. Bush, Chief Turnkey; W. G. Benn, Turnkey; Floyd Denison, Turnkey. Deputy-Reeve H. Webster opposed the last clause of the Finance Committee's report, stating that he felt that the cost of living bonus should start the 1st of September, 1948, and immediately made an amendment to that effect, which was seconded by Reeve Frank Ham. On the vote being taken the amendment was declared lost and the report was adopted as read.

The Second Report of the Roads Committee recommended that no action be taken re the complaint of the Harten property; that T. B. Tyner be awarded the contract for snow plowing Roads Nos. 3, 13 and 15 at the price of \$4 per hour, the contractor to furnish truck, snow plow and wing; that a sidewalk be attached to the Newburgh bridge; that Camden East Bridge be replaced with present structure at Minks's Bridge together with sidewalk if this work is approved by the 1949 Council. The report was adopted.

A motion was made by Reeve Purcell, seconded by Deputy-Reeve Perreault, that the room opposite the Road Engineer's office now being used by Magistrate Garvin and his Clerk, be made available as soon as possible for use of the County Road Engineer and that the Property Committee be requested to see that this is carried out. The motion was carried.

A number of accounts were presented and ordered paid.
